Section 1. Name. The name of the District Association shall be ADELAIDE DISTRICT ASSOCIATION, INC. (the "District Association").

Section 2. Principal Office. The principal office of the District Association in the State of Florida shall be located in Brevard County. The District Association may have such other offices, either within or outside the State of Florida, as the Board of Directors may determine or as the affairs of the District Association may require.

Section 3. Definitions. The words used in these Bylaws shall have the same meaning as set forth in the Declaration of Covenants, Conditions, Easements, Reservations and Restrictions for Adelaide District, recorded or to be recorded in the public records of Brevard County, Florida, as supplemented, restated, renewed, extended or amended, from time to time (the "District Declaration"), unless the context shall otherwise require.

Section 4. Corporate Seal. The seal of the corporation shall bear the name of the District Association, the word "Florida", and the year of incorporation.

Article II

District Association:

Membership, Meeting, Quorum, Voting, Proxies

Section 1. Membership. The District Association shall have two (2) classes of membership, Class "A" and Class "B", as more fully set forth in the District Declaration, the terms of which pertaining to membership are specifically incorporated herein by reference. Meetings of the District Association shall be of the members of the District Association and the members shall cast their votes as provided in the District Declaration on those matters requiring a vote of the membership of the District Association. Notwithstanding the foregoing, as to all matters pertaining to the Community Association related to voting by the District Association, the Voting Member of the District Association as defined in the District Declaration shall be responsible for casting all votes of the membership of the District Association on all matters requiring the vote of the membership of the District Association, unless otherwise expressly specified in the Community Declaration or the Bylaws of the Community Association. Such Voting Member shall be entitled to exercise such votes as he in his discretion, deems appropriate.

Section 2. Place of Meetings. Meetings of the District Association shall be held at the principal office of the District Association or at such other suitable place convenient to the members as may be designated by the Board of Directors either within the District Property or as convenient thereto as possible and practical.

Section 3. Annual Meetings. Annual meetings of the District Association shall be set by the Board of Directors from time to time, provided the first meeting of the District Association occurs no earlier than one year after the District Association is incorporated. The election of directors, if one is required to be held, shall be held at, or in conjunction with, the annual meeting.

Section 4. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the District Association if so directed by resolution of a majority of a quorum of the Board of Directors. In addition, after the Class "B" Control Period has terminated, it shall be the duty of the President to call a special meeting of the District Association if a petition is signed by members representing at least ten percent (10%) of the total votes of the District Association requesting a special meeting. The notice of any special meeting shall state the date, time and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 5. Notice of Meetings. Written or printed notice stating the time and place of any meeting of the members shall be published in such a manner as is reasonably calculated to provide such notice to each member at least fourteen (14) days in advance of any meeting, but in no event shall such publication provide less notice than that required by Section 720.306, Florida Statutes (2014), as amended from time to time. When required by statute or these Bylaws, the purpose or purposes for which the meeting is called shall be stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the member at his address as it appears on the records of the District Association, with postage thereon prepaid.

Section 6. Waiver of Notice. Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any members may, in writing, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member shall be deemed a waiver by such member of notice of the time, date and place thereof and of the business transacted thereat (if notice of same is required by statute or by these Bylaws), unless such member specifically objects to lack of proper notice at the time the meeting is called to order, or in the case where the business transacted thereat is required to be contained in the notice, such member specifically objects to proper notice before such business is put to a vote.

Section 7. Adjournment of Meetings. If any meeting of the District Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five

(5) nor more than thirty (30) days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to members in the manner prescribed for regular meetings.

The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum, provided that members or their proxies representing at least fifteen percent (15%) of the total votes of the District Association remain in attendance, and provided further that any action taken is approved by members or their proxies representing at least a majority of the number of votes of the District Association required to constitute a quorum.

Section 8. Voting. The voting rights of the members shall be as set forth in the District Declaration as supplemented and amended from time to time, and such voting rights provisions are specifically incorporated herein.

Section 9. Designation of Voting Representative. If a Unit is owned by one person or entity, its rights to vote shall be established by the record title to the Unit. If a Unit is owned by more than one person or entity, the person entitled to cast the votes for the Unit shall be designated by a certificate signed by all of the record Owners (as defined in the District Declaration) of the Unit and filed with the Secretary of the District Association. If a Unit is owned by a general or limited partnership, the person entitled to cast the votes for the Unit shall be designated by a certificate of appointment signed by one of the general partners and filed with the Secretary of the District Association. If a Unit is owned by a corporation, the person entitled to cast the votes for the Unit shall be designated by a certificate of appointment signed by the president or vice president of the corporation and filed with the Secretary of the District Association. If a Unit is owned by a limited liability company, the person entitled to cast the votes for the Unit shall be designated by a certificate of appointment signed by the manager (in the case of a manager-managed company) or managing member (in the case of a member-managed company) and filed with the Secretary of the District Association. If a Unit is owned in trust, the person entitled to vote for the Unit shall be designated by a certificate of appointment signed by the trustee of record for the trust and filed with the Secretary of the District Association. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Unit concerned. A certificate designating the person entitled to cast the votes of a Unit may be revoked in writing by any Owner thereof; provided, however, that no Unit shall vote in excess of the voting rights allocated to that Unit in the District Declaration.

Section 10. Approval or Disapproval of Matters. Whenever the decision of an Owner is required upon any matter, whether or not the subject of a District Association meeting, such decision shall be expressed by the same person who would cast the votes of such Owner if at a

District Association meeting, unless the joinder of record Owners is specifically required by the District Declaration, the Articles of Incorporation of the District Association or these Bylaws.

Section 11. Restraint Upon Assignment of Shares in Assets. The share of a member in the funds and assets of the District Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to that member's Unit.

Section 12. Proxies. A member may authorize another person to act for him by proxy. Such proxy must be executed in accordance with, and shall be subject to the limitations set forth in, Section 720.306, Florida Statutes (2014), as amended from time to time. Every proxy shall be revocable at the pleasure of the member executing it and shall expire upon the transfer of title to the Unit giving rise to the voting rights to which the proxy pertains. The authority of the holder of a proxy to act shall not be revoked by the incompetence or death of the member who executed the proxy unless, before the authority is exercised, written notice of an adjudication of such incompetence or of such death is received by the District Association officer responsible for maintaining the list of members.

Section 13. Majority. As used in these Bylaws, the term “majority” shall mean those votes, owners, or other group as the context may indicate totaling more than fifty percent (50%) of the total number.

Section 14. Quorum. Except as otherwise provided in these Bylaws or in the District Declaration, the presence in person or by proxy of the members representing thirty percent (30%) of the total votes in the District Association shall constitute a quorum at all meetings of the District Association. Any provision in the District Declaration concerning quorums is specifically incorporated herein.

Section 15. Conduct of Meetings. The President, or in his absence the Vice President, shall preside over all meetings of the District Association, and the Secretary shall keep the minutes of the meeting and record in a minute book all resolutions adopted at the meeting, as well as a record of all transactions occurring at the meeting.

Section 16. Action Without A Meeting. Any action required by law to be taken at a meeting of the members or any action which may be taken at a meeting of the members, may be taken without a meeting if written consent setting forth the action so taken is signed by all of the members entitled to vote with respect to the subject matter thereof; and any such consent shall have the same force and effect as a unanimous vote of the members.

Article III

Board of Directors: Number, Powers, Meetings

A. Composition and Selection.

Section 1. Governing Body; Composition. The affairs of the District Association shall be governed by the Board of Directors, each of whom shall have one (1) vote. Except with respect to directors appointed by the District Declarant, the directors shall be members or spouses of such members; provided, however, no person and his or her spouse may serve on the Board of Directors at the same time. In the case of a member which is a corporation, partnership, or other legal entity, the person designated in writing by certificate filed with the Secretary of the District Association as the voting representative (pursuant to Article II, Section 9 hereof) of such corporation, partnership or other legal entity shall be eligible to serve as a director.

Section 2. Directors During Class "B" Control. During the Class "B" Control Period (as defined in the District Declaration), all members of the Board of Directors shall be appointed by the District Declarant acting in its sole discretion and shall serve at the pleasure of the District Declarant.

Section 3. Number of Directors. During the Class "B" Control Period the number of directors on the Board of Directors shall be not less than three (3) nor more than five (5). Thereafter the number of directors on the Board of Directors may be increased or decreased upon approval of a majority of the members, provided that there shall always be an odd number of directors and further provided that all incumbent directors shall be permitted to serve out their existing terms unless they sooner resign. The initial Board of Directors shall consist of three (3) directors appointed by the District Declarant. In the event the District Declarant elects to have five (5) directors during the Class "B" Control Period, then three (3) of the members shall be appointed by the District Declarant and two (2) of the members shall be elected by the members, with the members appointed by the District Declarant serving until their resignation or replacement and the members elected by the members serving two (2) year terms (except as otherwise expressly provided in Section 5 of this Article III hereinbelow). In the event that the District Declarant elects to reduce the number of directors during the Class "B" Control Period from five (5) to three (3), the District Declarant shall cause two (2) directors appointed by the District Declarant to resign, with their resignations to be effective immediately. The District Declarant may appoint additional directors in its sole discretion to the Board of Directors from time to time to replace directors appointed by it or to fill vacancies of directors appointed by it.

Section 4. Nomination of Directors. Except with respect to directors entitled to be selected by the District Declarant as provided in Section 3 of this Article, nominations for election of directors to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and two (2) or more members of the District Association appointed by the Board of

Directors. The Nominating Committee shall be appointed by the Board of Directors not less than thirty (30) days prior to such annual meeting of the members at which members other than the District Declarant are entitled to elect members to the Board of Directors. Members of the Nominating Committee shall serve a term of one (1) year or until their successors are appointed. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but in no event less than the number of positions to be filled. Nominations shall also be permitted from the floor. All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

Section 5. Election and Term of Office. Within thirty (30) days after termination of the Class "B" Control Period, the District Association shall call a special meeting at which the members shall elect all directors of the Board of Directors; provided, however, only the director(s) appointed by the District Declarant shall be elected at such special meeting and any directors previously elected by the members shall remain as directors until one (1) year after the date of such special meeting. Directors elected to replace the directors previously appointed by the District Declarant shall serve a term of two (2) years. Upon the expiration of the initial term of office of each director, a successor shall be elected to serve a term of two (2) years. Thereafter, all directors shall be elected to serve two (2) year terms.

At any election of directors by members, each member shall be entitled to cast with respect to each vacancy to be filled on the Board of Directors, as many votes as it is entitled to vote under the terms of the District Declaration. There shall be no cumulative voting. The candidates receiving the largest number of votes shall be elected to fill the positions for which the election is held. Directors elected by the members shall hold office until their respective successors have been elected. Directors may be elected to serve any number of consecutive terms.

Section 6. Removal of Directors and Vacancies. A director may be removed, with or without cause, by the vote of a majority of the total voting interests. Provided, however, if a specific class of members is entitled to elect a director or directors, only that class of members may vote to remove those directors so elected by that specific class of members. In accordance with all applicable procedures and provisions of the Florida Statutes, directors may be removed by a vote taken at a special meeting of the members called by at least ten percent (10%) of the voting interests or by a written agreement or written ballot without the need for a member meeting. Any director whose removal is sought, shall be given notice, as specified in the applicable provisions of the Florida Statutes for the recall of directors, prior to any meeting called for that purpose, and such notice shall state the purpose for the meeting. At such meeting as the director is removed, a successor shall be elected by the members to fill the vacancy for the remainder of the term of such director. Any director appointed by the District Declarant may only be removed by the District Declarant, in its sole discretion, and the District Declarant shall be entitled to appoint a director to fill the vacancy created.

Any director elected by the members who has three (3) consecutive unexcused absences from Board of Directors meetings or who is delinquent in the payment of any assessment or

other charge due the District Association or the Community Association for more than thirty (30) days may be removed by a majority of the directors present at a regular or special meeting at which a quorum is present, and a successor may be appointed by the Board of Directors to fill the vacancy for the remainder of the term. The foregoing shall not apply to directors appointed by District Declarant to the Board of Directors.

Except in the case of directors appointed by District Declarant, in the event of the death, disability or resignation of a director, a vacancy may be declared by the Board of Directors, and it may appoint a successor. Any director appointed by the Board of Directors shall serve for the remainder of the term of the director who vacated the position. In the event of death, disability or resignation of a director appointed by the District Declarant, the District Declarant shall be entitled to appoint a director to fill the vacancy created, and such director shall serve for the remainder of the term of the director who vacated the position.

B. Meetings.

Section 7. Organizational Meetings. The first meeting of the Board of Directors following each annual meeting of the District Association shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board of Directors.

Section 8. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the directors. Notice of the time and place of the meetings of the Board of Directors shall be communicated to directors not less than forty-eight (48) hours prior to the meeting; provided, however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting.

Section 9. Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President or by any two (2) directors of the Board of Directors if the Board of Directors is three members or by any three (3) directors of the Board of Directors if the Board of Directors is five members. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director of the Board of Directors by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; (d) by telegram, telecopy, charges prepaid; or (e) by electronic transmission in a manner authorized by law. All such notices shall be given at the director's telephone number or sent to the director's address as shown on the records of the District Association. Notices shall be delivered at least forty-eight (48) hours before the time set for the meeting.

Section 10. Notice of Meetings. Notwithstanding any other provision for notice of Board meetings contained in this Article III, notice of all Board meetings must be posted in a conspicuous place on the Common Area at least forty-eight (48) hours in advance of a meeting

of the Board of Directors, except in an emergency. Alternatively, if not posted in a conspicuous place on the Common Area, notice of each Board meeting must be mailed or delivered to each member at least seven (7) days before the meeting, except in an emergency. Provided, however, an assessment may not be levied at any Board meeting unless written notice of the meeting (i) is provided to all members at least fourteen (14) days prior to the meeting, and (ii) the notice includes a statement that assessments will be considered and the nature of the assessments. Any notice required to be given for a regular or special meeting of the Board of Directors may be given by electronic transmission in manner authorized by law and only to those members who have consented in writing to receive such notice by electronic transmission.

Section 11. Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 12. Quorum of Board of Directors; Voting. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board of Directors cannot be held because a quorum is not present, a majority of the directors who are present at such meeting may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the date the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 13. Compensation. No director shall receive any compensation from the District Association for acting as such unless approved by members representing a majority of the total votes of the District Association at a regular or special meeting of the District Association; provided any director may be reimbursed for expenses incurred on behalf of the District Association upon approval of a majority of the other directors.

Section 14. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book of meetings of the Board of Directors, recording therein all resolutions adopted by the Board of Directors and all transactions and proceedings occurring at such meetings. Meetings may be conducted by telephone and shall be considered as any other meeting, provided the directors participating in the meeting are able through telephone connection to hear and to be heard.

Section 15. Open Meetings; Notice to Members. Subject to the provisions of Section 16 of this Article and the provisions of Florida law, all meetings of the Board of Directors shall be open to all members, but members other than directors may not participate in any discussion or deliberation unless permission to speak is requested on his or her behalf by a director. In such case, the President may limit the time any member may speak. Provided, however, notwithstanding anything in this Section 15 to the contrary, a member may speak on any matter placed on the agenda by a petition of the voting interests for at least three (3) minutes. Meetings between the Board of Directors and its attorney with respect to proposed or pending litigation where the contents of the discussion would otherwise be governed by the attorney-client privilege shall not be open to members. Except in an emergency, written or printed notice stating the time and place of any meeting of the Board of Directors shall be published in such a manner as is reasonably calculated to provide such notice to each member at least forty-eight (48) hours in advance of any meeting, which publication may be accomplished by posting such notice in a conspicuous place in the District Property, publishing in a local newspaper, providing a schedule of such meetings or such other method as is determined by the Board of Directors. When required by the provisions of Florida law, the purpose or purposes for which the meeting is called shall be stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the member at his address as it appears on the records of the District Association, with postage thereon prepaid.

Section 16. Action Without a Formal Meeting. Any action to be taken or that may be taken at a meeting of the Board of Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the directors of the Board of Directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

Section 17. Powers. The Board of Directors shall be responsible for the affairs of the District Association and shall have all of the powers and duties necessary for the administration of the District Association's affairs and may do all acts and things as provided by law as are not by the District Declaration, the Articles of Incorporation or these Bylaws directed to be done and exercised exclusively by the membership generally.

The Board of Directors shall delegate to one of its members the authority to act on behalf of the Board of Directors on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board of Directors.

The Board of Directors shall have exclusive jurisdiction over and the sole responsibility for the District Association's administration, management, operation, regulation, care, maintenance, repair, restoration, replacement, preservation and protection of the Common Area and Area of Common Responsibility; the establishment, levy, imposition, enforcement and collection of all assessments for which provision is made in the District Declaration; the

promotion and advancement of the general interests of the members of the District Association; all as more particularly provided in the District Declaration, Articles of Incorporation, these Bylaws and the rules and regulations of the District Association.

In addition to the duties imposed by the District Declaration, the Articles of Incorporation and these Bylaws or by any resolution of the District Association that may hereafter be adopted, the Board of Directors shall have the power to and shall be responsible for the following, by way of explanation, but not limitation:

- (a) preparation and adoption of annual budgets, including provisions for establishing reserve funds for replaceable assets, in which there shall be established the contribution of each Owner to the Common Expenses;
- (b) making assessments to defray the Common Expenses, establishing the means and methods of collecting such assessments, and establishing the period of the installment payments of assessments; provided, unless otherwise determined by the Board of Directors, the Regular Assessment shall be payable in one (1) annual payment in advance on the first day of January of each year;
- (c) providing for the operation, care, upkeep, and maintenance of all of the Common Area and Area of Common Responsibility;
- (d) designating, hiring and dismissing the personnel necessary for the maintenance, operation, repair and replacement of the District Association, its property, Common Area and Area of Common Responsibility, and where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies and materials to be used by such personnel in the performance of their duties;
- (e) collecting the assessments, depositing the proceeds thereof in a bank depository which it shall approve, and using the proceeds to administer the District Association; provided, any reserve fund may be deposited, in the directors' best business judgment in depositories other than banks;
- (f) making and amending rules and regulations;
- (g) opening of bank accounts on behalf of the District Association and designating the signatories required;
- (h) making or contracting for the making of repairs, additions and improvements to or alterations of the Common Area in accordance with the District Declaration and these Bylaws after damage or destruction by fire or other casualty;

(i) enforcing by legal means the provisions of the District Declaration, these Bylaws, and the rules and regulations adopted by it and bringing any proceedings which may be instituted on behalf of or against the Owners concerning the District Association;

(j) obtaining and carrying insurance against casualties and liabilities, as provided in the District Declaration or as otherwise determined to be appropriate by the Board of Directors, and paying the premium cost thereof;

(k) paying the cost of all services rendered to the District Association or its members and not chargeable directly to specific Owners;

(l) keeping books with detailed accounts of the receipts and expenditures affecting the District Association and its administration, specifying the maintenance and repair expenses and any other expenses incurred;

(m) making available to any prospective purchaser of a Unit, any Owner, any first Mortgagee, and the holders, insurers, and guarantors of a first Mortgage on any Unit, current copies of the District Declaration, the Articles of Incorporation, the Bylaws, rules and regulations governing the Unit, and all other books, records, and financial statements of the District Association;

(n) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the District Property; and

(o) entering into contracts, granting easements or performing other rights, obligations or duties of the District Association set out in the District Declaration, including without limitation, the right to enter into any cable television agreement.

Section 18. Management Agent.

(a) The Board of Directors may employ for the District Association a professional management agent or agents at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. The Board of Directors may delegate to the managing agent or manager, subject to the Board of Directors' supervision, all of the powers granted to the Board of Directors by these Bylaws, other than the powers set forth in subparagraphs (a), (b), (f), (g), (i) and (o) of Section 17 of this Article. The District Declarant, or an affiliate or other related entity of the District Declarant, may be employed as managing agent or manager.

(b) No management contract may have a term in excess of one (1) year and must permit termination by either party without cause and without termination fee on thirty (30) days' or less written notice.

(c) No remuneration shall be accepted by the managing agent from vendors, independent contractors or others providing goods or services to the District Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts or otherwise; anything of value received shall benefit the District Association; provided, nothing herein shall prohibit the managing agent from earning commissions for services performed by the managing agent in leasing Units on behalf of Owners of such Units.

Section 19. Borrowing. The Board of Directors shall have the power to borrow money for the purpose of maintenance, repair, restoration, replacement, preservation and protection of the Common Area without the approval of the members of the District Association. The Board of Directors shall also have the power to borrow money for other purposes; provided, the Board of Directors shall obtain the approval of members representing a majority of the total votes of the District Association in the event that the proposed borrowing is for the purpose of modifying, improving or adding amenities and the total amount of such borrowing exceeds or would exceed five percent (5%) of the budgeted gross expenses of the District Association for that fiscal year. Notwithstanding anything to the contrary contained in the District Declaration, these Bylaws or the Articles of Incorporation, during the Class "B" Control Period, no mortgage lien shall be placed on any portion of the Common Area owned by the District Association without the affirmative vote or written consent, or any combination thereof, of members representing at least a majority of the total votes of the District Association other than District Declarant.

Section 20. Rights of the District Association. With respect to the Common Area, Areas of Common Responsibility, or other areas of responsibility of the District Association, and in accordance with the Articles of Incorporation, these Bylaws and the District Declaration, the Board of Directors on behalf of the District Association shall have the right to contract with any Person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Board of Directors on behalf of the District Association to enter into common management, operational or other agreements with trusts, condominiums, cooperatives or districts and other owners or associations, both within and without the Properties. Such agreements shall require the consent of a majority of all directors of the District Association.

Section 21. Enforcement. The Board of Directors shall have the power to impose reasonable fines, which, unless prohibited by applicable provisions of the Florida Statutes, shall constitute a lien upon the property of the violating Owner, and to suspend an Owner's (and any tenant's, occupant's, guest's or invitee's) right to use the Common Area or Areas of Common Responsibility for violation of any duty imposed upon such Owner under the District Declaration, the Articles of Incorporation, these Bylaws or any rules and regulations duly adopted hereunder; provided, however, nothing herein shall authorize the District Association or the Board of Directors to limit ingress and egress to or from a Unit. In the event that any tenant, occupant, guest or invitee of a Unit violates the District Declaration, Articles of Incorporation, Bylaws or a rule or regulation and a fine is imposed, the fine may first be assessed against such person; provided, however, if the fine is not paid by such person within the time period set by the Board of Directors, the Owner of such Unit shall pay the fine upon notice from the District

Association. All fines and suspensions imposed pursuant to this paragraph shall be imposed in accordance with the applicable requirements of the Florida Statutes. The failure of the Board of Directors to enforce any provision of the District Declaration, Articles of Incorporation, Bylaws or any rule or regulation shall not be deemed a waiver of the right of the Board of Directors to do so thereafter.

(a) Notice. Prior to imposition of any sanction hereunder for any violation other than the failure to pay assessments, the Board of Directors or its delegate (or the Covenants Committee, if any) shall serve the alleged violator with written notice by mail, hand delivery or other delivery at the address of the alleged violator contained in the records of the District Association, or if no address of the alleged violator is on record, then by posting written notice at the site of the alleged violation describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than fourteen (14) days within which the alleged violator may present a written request to the Board of Directors (or the Covenants Committee, if any) for a hearing; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within the period of time provided in (iii) for requesting a hearing. If a timely challenge is not made, the sanction stated in the notice shall be imposed. The sanction may include, without limitation, sanctions that will automatically be imposed by the District Association in the event the violation is not abated or recurs within a stated period from the alleged violation. Copies of notices and proof of notice shall be placed in the records of the District Association. Proof of notice shall be deemed adequate if a copy of the notice, together with statement of the date and manner of delivery, is entered by the officer, director or agent who delivered such notice, or if the alleged violator requests a hearing within the time period stated in the notice.

(b) Hearing. If a hearing is requested in a timely manner, the hearing shall be held before a committee of at least three (3) members appointed by the Board of Directors who are not officers, directors, or employees of the Association and are not related within the first degree of any of the forgoing. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, recommended by the committee to be imposed by the Board of Directors. In the event the committee, by majority vote, does not approve a proposed fine, suspension or other sanction, it may not be imposed.

(c) Appeal. Following a hearing, the violator shall have the right to appeal the decision to the Board of Directors. To perfect this right, a written notice of appeal must be received by the manager, President or Secretary of the District Association within ten (10) days after the hearing date. The decision of the Board of Directors shall be final.

(d) Additional Enforcement Rights. Notwithstanding anything to the contrary herein contained, the District Association, acting through the Board of Directors, may elect to enforce any provision of the District Declaration, the Articles of Incorporation, these Bylaws, or the rules and regulations of the District Association by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations) or by suit at law or in equity to enjoin any violation, to recover monetary damages, or to seek any other

appropriate remedy, or any combination of the foregoing, without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including reasonable attorneys' and paralegals' fees incurred by the District Association, whether suit be brought or not, and including those incurred on appeal, if any.
